

PRIVACY POLICY

*This policy statement is given in accordance with article 13 of Regulation (EU) no. 2016/679 – General Data Protection Regulation (hereinafter also referred to as “GDPR”) and in relation to the personal data acquired to take part in the following event: **BLUEAIR Project Final Event. Shaping together the sustainable blue economy of the Adriatic-Ionian Macro-Region, Trieste 11 July 2023.***

- 1) **IDENTITY AND CONTACT DATA OF THE DATA CONTROLLER** - *The personal data controller is the Scientific and Technological Research Area of Trieste – Area Science Park, based in Trieste, Padriciano, 99. The person to whom the personal data provided refers, in their capacity as data subject, may contact the data controller by writing to the above-mentioned address or by sending an email to the following e-mail addresses: urp@areasciencepark.it – certified email (PEC) protocollo@pec.areasciencepark.it.*
- 2) **CONTACT DETAILS OF THE DATA PROTECTION OFFICER** – *A data protection officer has been appointed at Area Science Park pursuant to article 37 of the GDPR, and can be contacted at the following email address: rpd@areasciencepark.it.*
- 3) **CATEGORIES OF PERSONAL DATA** - *The personal data processed by Area Science Park for the purposes expressed in this policy statement relate solely to common personal data categories (name and surname, organisation/company, position/role and email address).*
- 4) **PURPOSE OF THE DATA PROCESSING AND LAWFULNESS OF THE PROCESSING** - *The purpose of processing the personal data provided is to take part in the **BLUEAIR Project Final Event. Shaping together the sustainable blue economy of the Adriatic-Ionian Macro-Region, Trieste 11 July 2023.** The personal data provided will only be processed for organisational purposes, the proper management of the registration services and to provide information and assistance to the participants. The data may be subject to processing in accordance with prevailing laws and the principles of fairness, lawfulness, transparency and confidentiality, including any interviews or portrayals contained in the photographs and video recordings of the participants distributed for information purposes only and to publicise the activities of Area Science Park through television, social media and web channels. The processing shall be based, in accordance with article 6, paragraph 1, letter e) of the GDPR, on the performance of a task carried out in the public interest in which the controller is involved in relation to its official purpose as provided by law and the articles of association governing the realisation of innovative projects in association with local, regional, national and international public institutions and private parties (article 3, paragraph 1, letter b) and article 3, paragraph 2, letter c) of the articles of association), and the performance of official communication activities of the Organisation, online communication, interactive communication of the initiatives and activities of the Organisation on social media and planning and supervision of the implementation and update of the web portal of the Organisation (article 3, paragraph 1, letter d) and paragraph 2, letter j) of the articles of association). The email address may be used to inform the data subject about other similar initiatives and send them information or promotional materials or other official communications, including according to their areas of interest, regarding future official initiatives of Area Science Park (in this case, pursuant to article 6, paragraph 1, letter a), the processing shall be based on the data subject’s consent).*
- 5) **RECIPIENTS AND CATEGORIES OF RECIPIENTS OF PERSONAL DATA** – *Without prejudice to the communication and disclosure carried out to meet legal requirements and orders by the authorities, the data will be disclosed by Area Science Park staff involved in the event's implementation activities as well as by the data processors appointed by the Organization. At any time, the interested parts may ask for the complete list of data processors appointed in the processing of data for the purposes referred to in this information. Notices, interviews, photographs or filmed images of the event may be disclosed to the press or through promotional material of the activities of Area Science Park, or through other publications, websites or “dedicated” portals, television, radio, social media or other means of communication.*
- 6) **TRANSFER OF DATA TO COUNTRIES OUTSIDE THE EU** - *If Area Science Park should transfer the personal data of the data subjects to countries outside the EU, it will transfer them in a way that provides appropriate guarantees in accordance with articles 45, 46, 47 or 49 of the GDPR.*
- 7) **DATA STORAGE PERIOD** – *The data subject to processing will be stored for the period needed to pursue the purpose of the processing, but the email address of the data subject may be used to inform them of any similar initiatives until they make any objections.*
- 8) **RIGHTS OF THE DATA SUBJECT** - *With reference to the personal data provided, the data subject is entitled to the following rights: a) to access personal data; b) to rectify or delete personal data or limit the processing of personal data; c) to object to the processing; d) to data portability on condition that the processing is based on a contract to which the data subject is party and is carried out using automated means; e) to lodge a complaint with the supervisory authority. In order to exercise the rights referred to in letters a) to d), the data subject can send an email to the following address: rpd@areasciencepark.it. Area Science Park is required to provide a response within one month of the request, which can be extended to up to three months in the event of particularly complex requests.*
- 9) **MANDATORY OR OPTIONAL NATURE OF PROVISION OF THE DATA AND CONSEQUENCES OF FAILURE TO PROVIDE DATA** – *Providing the data is optional but if it is not provided, it will not be possible to take part in the event. Failure to consent to use of the email address will mean that Area Science Park will not be able to send updates on the official initiatives.*
- 10) **LACK OF AUTOMATED DECISION-MAKING PROCESS** - *In order to process the personal data of the data subjects, Area Science Park has not adopted any automated decision-making processes in accordance with article 22 of the GDPR.*
